

ANYONE WHO ADHERES TO THE DOCTRINES OF FR. FEENEY IS BARRED FROM RECEIVING THE SACRAMENTS IN THIS CHAPEL. In the 1940's, Fr. Leonard Feeney S.J. promoted the heresy that there was no such thing as baptism of blood or baptism of desire. Fr. Feeney's teaching is contrary to the universal ordinary magisterium of the Catholic Church. It was condemned in 1949 by the Holy Office. All Catholics are bound under pain of mortal sin to give assent to the teachings of the Holy Office. A number of lay Catholics mistakenly adhere to this heresy, falsely thinking that it is the teaching of the Catholic Church.

LIBERTY AND LIBERALISM [From *Liberalism*, by Cardinal Billot]

Liberty, as it concerns us here, is not precisely that which the metaphysicians discuss, namely, the power of free choice, consisting in the power which the human will has over its own acts, that is, the ability to will or not will, to will a particular thing or its opposite. For this kind of freedom, which is freedom from intrinsic necessity, which brings with it the obligations of conscience, and which binds us to the observance of the moral law, liberalism is not at all concerned, and, so little does it care that many of its followers are absolute materialists, not recognizing in man anything beyond the principles of spontaneous movement according to instinct and natural necessity. At all events, whether they admit or do not admit free will, understood in its proper and metaphysical sense, they do not see in it the object of their idolatry, but rather in the power of exercising one's own activity, whatever their activity may be, without outside coercion limiting anyone's autonomy. This liberty, then, is freedom from all interference; and not only from coercion strictly speaking, such as by means of violence, but also from coercion through fear of the laws, by the threat of penalties, and through social pressures and ties, and, in a word, by bonds of any kind whatsoever whereby a man is prevented from acting, or being able to act, in all things according to his own individual inclination. Such liberty, they maintain, is the good *par excellence*, to which all else must yield, those things perhaps excepted, which are necessary for the purely material order of the commonwealth; a good so excellent that all other things must be subordinated in order to preserve it intact, and which necessarily must be the basis of all society, if the latter is to measure up to the true standard of goodness and equity.

A NOTE TO NEWCOMERS

WELCOME TO THE TRADITIONAL LATIN MASS, and to the unchanged Catholic Faith. The priests and parishioners of Most Holy Trinity Seminary reject the changes of Vatican II. They want to preserve the Roman Catholic Faith by maintaining everything which was taught and done by the Church prior to Vatican II. In order to receive the sacraments here, it is therefore necessary that you attend exclusively the traditional Latin Mass, and avoid the New Mass, the reformed sacraments, as well as any Masses which are offered in union with the Vatican II hierarchy. We also invite you to take our booklet entitled *The Traditional Latin*

ANNOUNCEMENTS

- **Solemn Vespers and Benediction at 5:00 P.M. today.**
- **We are lifting the moratorium on Mass intentions.** Because four new priests will be ordained in June, we are again able to receive Mass intentions. The box in which to place them is in the back of the church.
- **The Sacrament of Confirmation will be administered in the fall.** If you are in need of this sacrament, or are in doubt about the Confirmation you may have received, then please fill out a form which you will find in the back of the church. Children who attend Queen of All Saints Academy will be processed separately. Those who have been confirmed in the Novus Ordo need to be confirmed.
- **You may be contacted for verification of sacraments.** Because we have recently had an influx of new parishioners, it is necessary to determine if their sacraments were properly and validly received. We must also determine that everyone is sufficiently instructed in the basics of the Catholic Faith.
